Without limiting the responsibility of any competition organizer for the conduct of the competition, I make the following statement:

1. Identification of risks

I, the signatory, know and am fully aware of the dangers involved in the practice of the above mentioned competition. I recognize that the pursuit of excellence entails a risk of having to extend my physical abilities to the absolute limit. I know and accept that the practice of such a competitive sport can endanger my life and physical safety. These dangers threaten everyone in the field of competition and training, especially from environmental conditions, technical equipment, atmospheric influences and natural or artificial obstacles. I am aware that certain procedures cannot always be foreseen or kept under control and therefore cannot be switched off or prevented preventively by safety precautions. Participation in the competition is at one's own risk. The liability of the organizer and the competition management towards the participants is limited to intent and gross negligence. Any further liability is excluded.

2. Risk tolerance

I must judge for myself whether the competition or training course is not too difficult for me under the given conditions. I declare that I will immediately report any obvious safety deficiencies to the organizer.

3. Personal liability

I am aware that I may be personally liable to third parties for damages resulting from personal injury or damage to property resulting from my participation in training or competition. I acknowledge that it is not the organizer's or competition management's responsibility to inspect or supervise my equipment or that the organizer cannot be held liable for any damage caused by or to my personal or rented equipment. I declare that I am familiar with the respective competition regulations. I confirm that I have read the above disclaimer.

4. Health suitability

I declare to have a valid AKL examination in Austria, according to the occupational medical principles G 26.3 in Germany, or the examination corresponding to the individual countries, which I can present at the request of the organiser (original or copy with official stamp and signature of the responsible office).
I feel unrestrictedly healthy and able to cope with the upcoming competition.

5. Rights to pictures

I agree that the organizer and the sponsors of the challenge may use photos or video recordings taken during the competition or the entire event for advertising purposes.
Furthermore, I declare that I have read and understood the data protection declaration and accept voluntarily the "Information on data processing according to DSGVO" in its full content.

6. Doping

I agree that the organizer may order and carry out a doping test at any time and may exclude me from the competition in case of proven doping.

7. Entry Fee

In case of cancellation due to force majeure, official orders or by security reasons, the organizer is not liable for damages towards the participant. In case of non-attendance of a participant, there is no right to a refund of the entry fee.
